Writing a Successful Cover LetterA cover letter is your first chance to make a strong impression on a search committee. It allows you to begin a personal dialogue with the members of the committee. It is one of your best opportunities to frame your candidacy: to explain why you would be an especially attractive hire. A well written letter will: demonstrate the fit between your background and the adv...

A cover letter is and should be as unique as you are. Traditionally the CV is a formal document and should fit certain criteria. However, the cover letter is something that you can make your own. It can be the key to getting that all important interview. In a tight recruitment market like we have today, you need to differentiate yourself and the strength of a well written cover letter cannot be over...
